General Strategies for Finding Relatives

- **Take a DNA test**. If you're biologically related to a person you're trying to find, it can help to take a DNA test.
- **Enter the person in your tree**. Including living people in your family tree can help us provide better Ancestry Hints both for them and for their deceased family members.
- **Search for obituaries** of the a person's immediate family.
- **Search social media** Search Facebook, Instagram, X, YouTube, and even just Google
- **Search directories**. National phone and address directories that contain information about people who are often still living.
